Lorna Monteith, Principal

January 2010

Dear Community Supporter,

Neil Armstrong Elementary School's Academic Boosters organization (NAAB) will hold our fifth annual fundraising event, "Tiki Lounge", on Saturday, April 17, 2010, at the Marriott in San Ramon. We graciously ask for your support by donating an item or service for this event which directly benefits 550 students in the San Ramon Valley.

Our organization's goal is to maintain and enhance the quality of education for our students. Our only sources of income to the organization are parent donations and this annual fundraising event. These funds supplement programs in the computer lab, library, math, music, reading and teacher aide areas, all of which are crucial to the success of our students.

At the event, we hold a silent and live auction hosted by a professional auctioneer. In addition, we will hold the online auction several weeks prior to our event so that others in the community have a chance to bid and support our school too!

As a donor, you will be recognized in our event program, online auction and school directory to all families. Please keep in mind all donations are tax deductible. This is a great way to showcase your company and we all know that word of mouth is the best and cheapest form of advertising – a new happy client is a repeat one and this opportunity is a simple way to increase your exposure and business in this challenging economy.

Additionally, if your company is interested in becoming a corporate sponsor for this event, please contact us for to find out about the additional benefits we have to offer.

We thank you in advance for your generosity and look forward to hearing from you soon. Please be sure to complete the enclosed form and return it with your donation today. If you have any questions please don't hesitate to contact us via email or phone.

Sincerely,

Heidi Emerson and Leslie Grgurina
